Candidates for 2nd through 4th grade may test at Parish or one of the other schools involved in the Dallas Area Independent Schools Common Testing Program. Test spaces are limited at each school, so make your reservation at the earliest possible date. If your child will not be testing at Parish, you **MUST** make arrangements with the school in which he/she will test. If you elect to test at Parish, you will be required to pay an additional \$50.00 testing fee, due at the time of testing.

Please indicate where he/she will be testing (choose only one).

- _____ The Hockaday School

Please note: You must make admission test arrangements with the school you have chosen above and your child may only take the admission test **ONE** time during this year's admission cycle.

I understand that, except under special circumstances as determined by the test administrators, subsequent test results are not valid and will not be considered if a test is administered to a student more than once within a six-month period. I also acknowledge that Parish, and the other independent schools listed above, discourage the practice of tutoring for admission tests, as it is not in the best interest of the child.
