A Message from the President

Welcome to the Parish Episcopal Athletic Booster Club. Since 2004, we have promoted student athletics in the spirit of building good sportsmanship and character of our Parish kids. Our objective is to encourage high scholastic achievement, raise money for athletic programs and assist in the provision of athletic facilities. In short, the Parish Booster Club exists to *“support the mind, body and soul of every Parish student athlete”*.

On a personal note, this is my “last hoorah” as a Parish parent as my son will be graduating in May after 14 fabulous years with the Parish Community. It has been a tremendous ride for us and I’m sure many of you feel the same way. Regardless of how old your kids are, what sports they play or how competitive their spirit, I’m sure you will agree there is nothing more exciting than watching your child compete. We all live through thrilling victories and heartbreaking defeats, but regardless of the outcome, we marvel at their stoic resolve and their ability to move ahead and look forward to another day. With every outcome, they learn a little more and grow a little wiser. It is why we as parents watch, cheer, and frankly go a little crazy anticipating every moment of every game or competition.

Panther spirit is truly contagious. Most of us start by cheering for our own kids, but we soon find ourselves cheering for all things Parish. Some kids you know, some you don’t, what matters is that they are Parish kids. The best way to be a part of this crazy Parish spirit is to join the Booster Club. In fact, once you become a member, you’ll always be in touch with what’s going on in Parish athletics. We keep you in the know with the *Booster Blast*, our monthly newsletter for “Members Only”, delivered to you via email.

In addition to helping with hundreds of athletic events at Parish, the Booster Club also organizes and assists with concessions, the athletic banquet, homecoming, the annual golf tournament, yard signs, game programs, guest speakers, and the list goes on.

This year we are offering a variety of membership levels with a wide range of member benefits. Consider moving up a level from last year and join early to get the most out of your membership!

The Booster Club offers a million ways to get involved. On behalf of our Parish student athletes, we’d like to invite you to join us and be a part of the excitement that is Parish sports.

Kevin Hall
